Puppy Love

In 5th grade loved
Molly Williams so much
thot I'd go crazy.
Puppy love they called it.
They being grown-ups.
Gaging back 26 yrs
it still hits top
of scale crowding fear
of heights for intensity.

Dr. Kingsbury

got me off booze
told me not to expect
so damn much of myself
pacified me with drugs
& it was beautiful.
Moved into an A-1 tract
took up gardening
barbecueing neighboring...
became a republican &
voted straight ticket
till pills ran out.
